

SlatWall organization and storage system

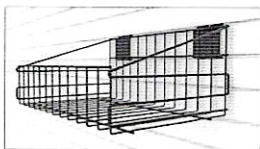

Trusscore® SlatWall™ is a heavy-duty, easy-to-install solution to organize your home, office, or workspace

Whether installed in a commercial or a do-it-yourself project, Trusscore SlatWall will add value and functionality to any space you choose.

Made from a high-strength polymer formulation, the Trusscore SlatWall system supports weights up to 75 lbs per square foot and is designed to install seamlessly with Trusscore Wall&CeilingBoard. It is the perfect organizational alternative to traditional drywall and slatwall solutions.

If you're looking for an organized, accessible solution, the Trusscore SlatWall system is easy to install and has many different available hooks for your storage needs.

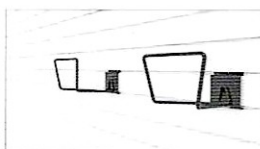

Trusscore SlatWall is compatible with standard slatwall accessories and the Trusscore accessories below.

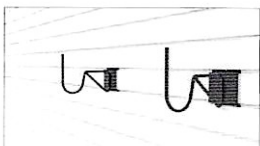

18" Basket | CRO.P18

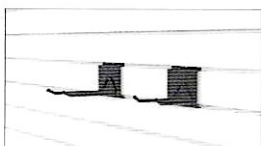

24" Shelf | CRO.T24

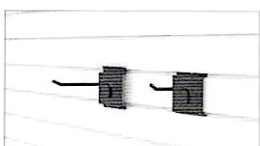

Hose Hook | CRO.H

Bike Hook | CRO.V

4" and 6" Double Hook
